JASON WELLS

Junior Web Developer | Full-Stack Developer (MERN) | MongoDB, Express, React, Node.js

BigJay2708@gmail.com • https://linkedin.com/in/jason-wells-329736304 • https://github.com/Bigjay2708 • Hilliard, Ohio

Summary

Detail-driven web developer with a strong foundation in the MERN stack and a background in precision-based trades. Recently completed a Professional Certificate in Full Stack Web Development (MIT xPro), now leveraging technical discipline, project planning, and communication skills to build clean, responsive, and accessible web applications. Passionate about user-focused design, modern frontend development, and collaborative problem solving. Actively pursuing opportunities to contribute meaningfully to development teams while continuing to refine my skills in modern frontend technologies and industry best practices.

Education

Massachusetts Institute of Technology

Professional Certificate in Coding: Full Stack Development with MERN, Computer Science   08/2024 - 03/2025

Skills / Knowledge	Skills / Knowledge	Skills / Knowledge
• Web Development	• Dynamic Rendering	• Responsive Design
• Back-End Development	• Data Fetching	• User Experience (UX)
• Build, test and deploy a web application	• Application Performance Optimization	• Page Navigation
• Front-End Development and React	• User Experience Design	• State Management
• Setup Continuous Integration (CI) and Continuous Delivery (CD)	• API Integration	• Code Resuability

Projects

E-Commerce Store

A modern e-commerce store built with Next.js, TypeScript, and Tailwind CSS that allows users to browse products, manage their cart, and securely authenticate. The application integrates with the Fake Store API for product data and features a clean, responsive UI with advanced state management and authentication.

- **Frontend:** Next.js (App Router), TypeScript, Tailwind CSS, Zustand, React Icons, Framer Motion, React Hot Toast
- **Backend:** Next.js API Routes, NextAuth.js for authentication
- **APIs & External Services:** Fake Store API, Vercel Deployment
- **Development Tools:** ESLint, Prettier, Vercel CLI, GitHub, VS Code
- **Security & Utilities:** Environment Variables (.env), Passwordless Authentication, Session Management
- **Live Demo** - https://e-commerce-store-five-phi.vercel.app
- **GitHub Repository** - https://github.com/Bigjay2708/e-commerce-store

Task Management App

A professional task management application built with the modern web stack, enabling users to efficiently create, update, and organize tasks with a beautiful, responsive interface.

- **Frontend:** Next.js (App Router), TypeScript, Tailwind CSS, React 19, Lucide React Icons
- **Backend:** Next.js API Routes, RESTful endpoints, Mongoose for MongoDB integration
- **APIs & External Services:** MongoDB Atlas, Vercel Deployment
- **Development Tools:** ESLint, Prettier, Vercel CLI, GitHub, VS Code
- **Security & Utilities:** Environment Variables (.env), Sessionless API
- **Live Demo** - https://task-management-app-omega-amber.vercel.app
- **GitHub Repository** - https://github.com/Bigjay2708/task-management-app

Projects

Portfolio

A personal portfolio web application built with the modern web stack, showcasing projects, skills, and professional background with a responsive, animated interface.

- **Frontend:** Next.js (App Router), React, Tailwind CSS, Framer Motion, React Icons
- **Backend:** Next.js API Routes
- **APIs & External Services:** Project data integration, Vercel Deployment
- **Development Tools:** ESLint, Prettier, Vercel CLI, GitHub, VS Code
- **Security & Utilities:** Environment Variables (.env), Session Management
- **Live Demo -** https://Wells-Jason.com
- **GitHub Repository -** https://github.com/Bigjay2708/jw-portfolio

Skills

HTML5 · CSS3 · JavaScript · React.js · Node.js · Express.js · MongoDB · Mongoose · RESTful APIs · CRUD Operations · Component-Based Architecture · Responsive Design · Version Control · Git · GitHub · Visual Studio Code · npm · Postman · Firebase · Vercel

Experience

Distinctive Marble & Granite
Countertop Templater

7635 Commerce Pl, Plain City, OH 43064
04/2023 - 08/2024

Distinctive Marble & Granite specializes in custom fabrication and installation of natural stone and quartz surfaces, serving residential and commercial clients with exceptional craftsmanship and customer service.

- Achieved a 98% project accuracy rate by implementing state-of-the-art templating technology and rigorous training protocols.
- Increased client satisfaction by 20% through timely project delivery and quality assurance checks.
- Achieved a 25% faster installation time by refining templating processes across multiple projects.
- Doubled customer satisfaction scores by ensuring accurate templates using advanced digital tools.

Distinctive Kitchen
Countertop Templater

4600 Bridgeway Ave, Columbus, OH 43219
03/2016 - 10/2022

Distinctive Kitchen provides custom design, fabrication, and installation of granite and quartz surfaces for both residential and commercial spaces, delivering quality work and personalized service.

- Improved client satisfaction by around 50% + through enhanced templating accuracy and quality assurance processes.
- Completed 100+ complex templating projects, managing a material variety of over 50 types.
- Handled 100+ projects annually, facilitating seamless installations without major delays.
- Boosted client satisfaction score by 20% by enhancing accuracy in project measurements.

Konkus Marble & Granite
Countertop Installer/Templater

3737 Zane Trace Dr, Columbus, OH 43228
04/2020 - 04/2021

Konkus Marble & Granite is a Columbus-based countertop fabricator, providing high-quality granite, quartz, and marble surfaces since 1997. Known for craftsmanship and service, they serve clients nationwide.

- Increased customer satisfaction scores by 35% through improved installation accuracy and timelines.
- Achieved a 10% reduction in material waste by optimizing measurement and cutting processes.
- Achieved a 90% customer satisfaction rate by maintaining meticulous attention to detail in all installation tasks.

Integrity Insulation, Inc.
Mechanical Insulator

6475 Lafayette Plain City Rd, London, OH 43140
08/2010 - 02/2016

Integrity Insulation specializes in mechanical insulation for commercial and industrial systems, helping clients improve energy efficiency, reduce heat loss, and protect equipment. Trusted for quality, safety, and performance.

- Managed insulation projects across 50+ commercial and industrial sites.
- Oversaw installation of insulation materials covering over 1,000,000 square feet.
- Boosted company's market reputation by completing 95% of projects ahead of schedule by streamlining logistics.
